

WHO WE ARE

A Staten Island based, NYC DCWP licensed locksmith serving property managers, co-op and condo boards, contractors, auto dealers, fleets and institutions across Staten Island and the five boroughs for over five years. Insured through Ergo Next. NASTF member for late-model vehicle key programming. The technician who quotes the job is the one who shows up.

Hours: Mon-Thu 9 AM-6 PM · Fri-Sun 24 hours

Reply to vendor inquiries within one business day

New accounts: 10% off the first job

SERVICES FOR BUILDINGS

- Tenant turnover rekeys, same or next business day
- Building-wide lock replacement, Grade 1 and Grade 2 hardware

- Insured through Ergo Next; certificate of insurance naming your entity issued on request
- IRS Form W-9 on request
- NASTF (National Automotive Service Task Force) member
- Egress and fire-rated door hardware kept matched to door rating
- Purchase order and invoice formats matched to your AP process

STARTING PRICES		
Service	Starting at	Notes
Lock rekeying (tenant turnover)	\$15 per lock	One service call per visit. Whole-building rekeys quoted as a project.
Lock replacement / new installation	\$75 per door	Labor. Hardware quoted separately at trade pricing.
Master key system	Quoted per building	Design, key control log, restricted keyway options.
Access control	\$800 per door	Single-door systems. Multi-door quoted after site visit.
Lockout service (account holders)	\$75	Business hours. Weekend and overnight quoted upfront.
Car key: basic / transponder / smart	\$50 / \$75 / \$150	Per key, cut and programmed on the lot.
Key fob programming	\$25 per fob	Customer-supplied or our OEM-equivalent fobs.
Prices are starting points. Final pricing depends on job type, hardware grade, vehicle make and model year, site access and volume. Volume and recurring-account discounts are available and are set in your account rate sheet. New commercial accounts receive 10% off the first completed job.
